

Rainy River – Rainy Lake Watershed One Watershed, One Plan (RR-RL 1W1P) Public Kick-Off Event

Do you live, work, or recreate in the **Rainy River – Rainy Lake Watershed**?

The RR-RL 1W1P planning partnership of Koochiching SWCD, Koochiching County, City of International Falls, and City of Ranier would like to hear from citizens and invites you to attend the public kick-off meeting on

Thursday, September 7 at the Ranier Community Building from 4:00 – 6:00 pm.

Light refreshments will be served as we

- **provide** a short overview of the planning process
- **share** what we currently know about existing watershed issues
- **solicit** your knowledge and feedback on priority resource concerns

Your input matters! The information gained during this event will help shape this comprehensive watershed management plan and assist us with prioritizing and targeting our efforts over the next 10 years.

If you are unable to join us in person but would like to provide feedback, please contact Pam Tomevi at pam.tomevi@co.koochiching.mn.us or 218-283-1174.

Funding for this planning effort is provided through the MN Board of Water and Soil Resources and supported by the Clean Water Land & Legacy Amendment.
